# Mukunda Kharal

## Front-End Developer

I am a dedicated and results-driven Front-End Developer with a strong foundation in web development technologies. I am passionate about creating visually appealing and user-friendly websites. My commitment to staying updated with industry trends and my ability to collaborate effectively make me a valuable asset to any development team.

## ACHIEVEMENTS

### Top Trainee

Awarded "Top Trainee" for outstanding performance and dedication during the training period at Vrit Technologies. Successfully implemented responsive design techniques for web projects, resulting in improved user experience and increased client satisfaction.

## EXPERIENCE

### Intern for Front-End Development

Intelzy Software / Chitwan / April, 2022 - September, 2022

- Assisted in the development of front-end components for web applications.
- Collaborated with the development team to ensure seamless user experiences.
- Gained hands-on experience in HTML, CSS, JavaScript, React Js and responsive web design techniques.

### Social Media Marketing

Zebe / America / October, 2022 - February, 2023

- Executed social media marketing campaigns to increase brand visibility and engagement.
- Analyzed and reported on campaign performance, optimizing strategies for improved results.
- Collaborated with cross-functional teams to align social media efforts with overall marketing goals.

## TRAINING/CERTIFICATIONS

---

### Front-End Development

Vrit Technologies / 2023

- Work closely with senior developers to gain hands-on experience in web development.
- Contribute to the development and maintenance of web applications.
- Collaborate with the design team to ensure seamless integration of front-end and back-end components.

## PROJECTS

---

### Portfolio Website

Created a personal portfolio website to showcase my web development skills and projects.

<https://www.mukundakharal.com.np/>

### E-commerce Website

Developed a fully functional e-commerce website with a focus on user experience, product catalog, and secure payment processing
